RE: Jerika Mining Corporation
Jerika No. 1-51 Mine
ACT/045/013
Tooele County, Utah

Dear Mr. Despain:

Attached is a review of the mining and reclamation plan (MRP) for this mine. As you will notice, the review indicates mainly a need for clarifications. We would be happy to meet with you to go over the review and clear up any questions which may arise. Also, we would like to arrange a site visit in the next week at your convenience. We are anxious to proceed with the approval of your MRP and apologize for any inconvenience our delay may have caused.

Please contact Mary Ann Wright of my staff concerning any question you may have regarding permit approval of your mine.

Sincerely,
